

RLBC Livestreaming user guide

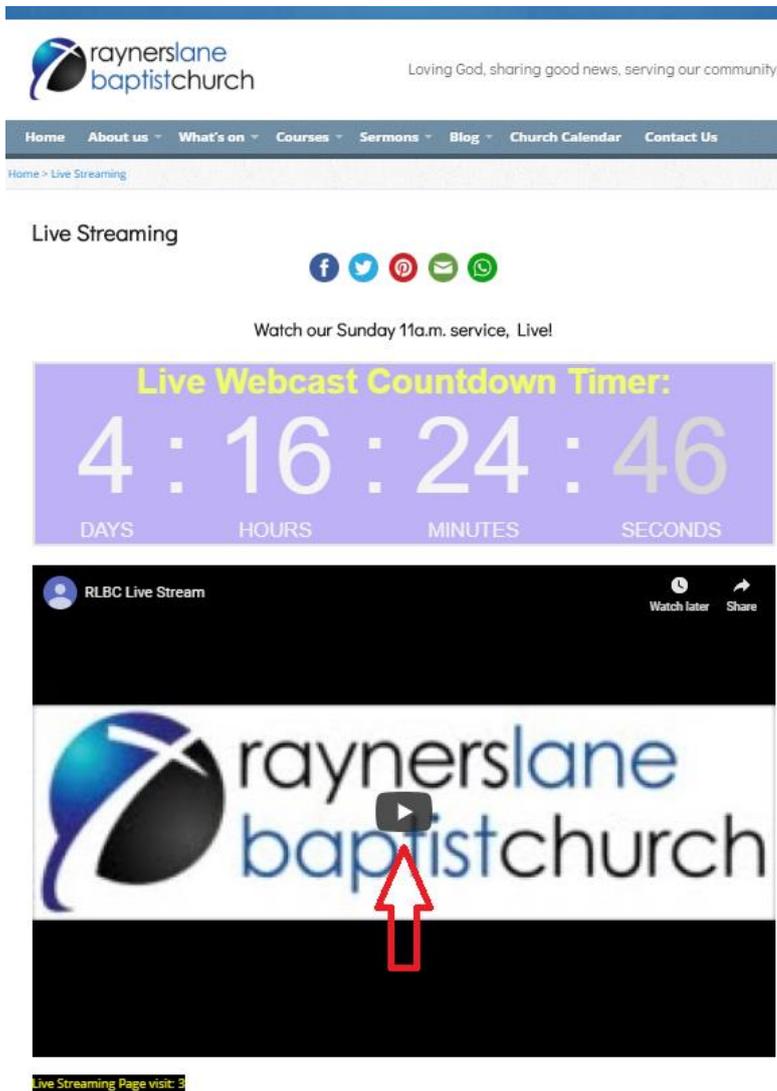

You will be able to view RLBC livestream on a Desktop / Laptop or on your smartphone / iPad / Tablet devices.

View RLBC Livestream on a Desktop / Laptop:

1. Open a browser, such as Chrome, Internet explorer or Microsoft Edge if you're using a Windows Laptop. You may also use a Safari browser if you're using a Mac.
2. Type our church website address, <https://www.rlbc.org.uk> on the address bar and hit the Enter key. This will load the church website.
3. Click the Live Streaming button.

The screenshot shows a web browser window with the address bar containing [rlbc.org.uk](https://www.rlbc.org.uk). The website header includes the logo for Rayners Lane Baptist Church and the tagline "Loving God, sharing good news, serving our community." The navigation menu lists: Home, About us, What's on, Courses, Sermons, Blog, Church Calendar, and Contact Us. The main content area features a large image of a church congregation with the text: "We are a community seeking to love God, share the good news about Jesus and serve our local area. Click to find out more" and a large "Welcome" banner. Below this are three tiles: "Services and location" (with a map), "Sermons" (with a word cloud), and "Church Calendar" (with a calendar grid). A prominent "LIVE STREAMING" button with a play icon is highlighted by a red arrow. At the bottom, there is a blue banner that reads "WATCH OUR SUNDAY 11 A.M. SERVICE, LIVE!". On the right side, there is a section titled "The word @rlbchurch" with a "Tweets by @rlbchurch" header and a tweet from Rayners Lane Baptist (@rlbchurch) with the text "Living in the Light of Eternity 9) A Slave to Joy".

4. The Live streaming webpage will be loaded, Click the play button as shown below.

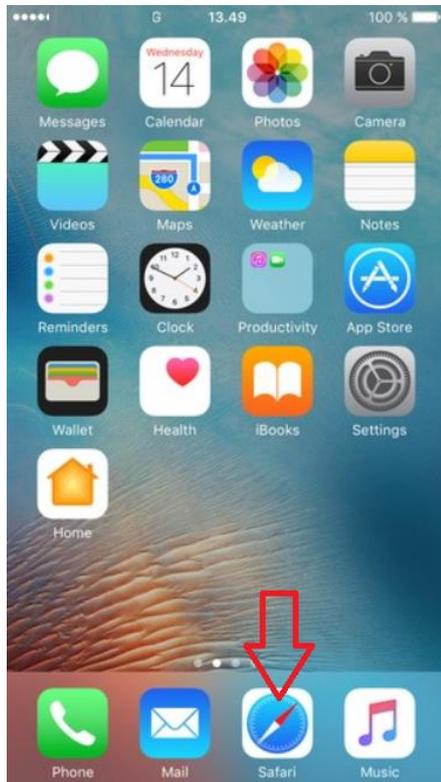

5. You will now see Live streaming of our church services. Click the square bracket icon [] as shown below, to view the video full screen.

View RLBC Livestream on a Smart phone / iPad / Tablet:
