

HOLIDAY BIBLE CLUB
online

20 to 24 JULY 2020
PRAYER CARD 1

Give thanks for technology! In our COVID-19 world we are taking HBC online.

Pray for wisdom and skill in planning to know the best way to use technology to reach out into our community.

Pray for adaptability in this new and exciting situation – that the Lord will direct our planning in the next few weeks.

Pray that team members will be able to volunteer in different ways to normal!

Pray that many children and families in our community will be reached with the good news about Jesus.
